WORK EXPERIENCE

FRONTEND WEB DEVELOPER

Freelance | 2019 - 2021

TCI (Think Create Innovate) | 2021 - Present

- Directs frontend software development initiatives to align with organizational goals and deliver high-quality products.
- Leads the design and development of responsive and intuitive user interfaces, enhancing user experience across web and mobile platforms.
- Collaborates with cross-functional teams, including backend developers and designers, to ensure seamless integration of APIs and design elements.

BRILSTACK | July 2024 - February 2025

- Collaborated with UI/UX designers to translate wireframes and prototypes into functional, visually appealing applications.
- Engineered complex workflows to support features like employee onboarding, payroll management, and applicant tracking.
- Optimized application performance to handle high volumes of user data efficiently while maintaining system stability.
